

March 2015

Our first youth group went excellent and we had a much bigger turnout than expected!

What we are doing here in Cajamarca, Peru...

- Leading the youth group at CC Cajamarca
- Living in the church and maintaining the grounds
- Volunteering at the Bible College

We Re-started our youth program again at Calvary Chapel Cajamarca!

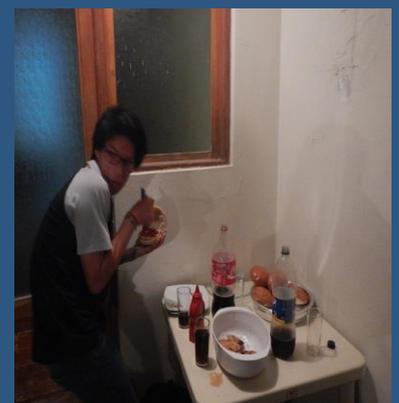

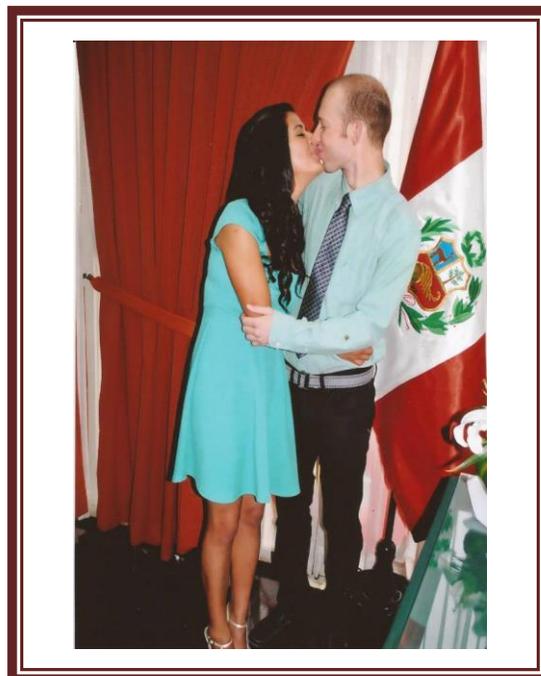

After a brief hiatus, our youth group has started again and we are all very excited to hear what the Lord has for us. It was so encouraging to see so many young people at our first meeting. We have just started the Gospel of John, and we hope to finish chapter 1 this Saturday.

“Whatever you do in word or deed, do in the name of the Lord Jesus, giving thanks to God the Father through Him”

The Lord has brought me a very good gift!

March 5, 2015 was the day! Jhilda and I tied the knot and started our new lives together! And through all of it we have been able to witness God open up the doors of provision. The leadership asked us if we would be willing to live in and watch the church facility. So we have a place to live, and we are very grateful. Also, many people have helped us get started by donating various items to us.

Living here in the church has opened the door for more ministry opportunities. I have been translating English to Spanish for Sunday morning service. Jhilda and I also enjoy cleaning the church before every service.

Here we have a Bible College student guarding his prized chicken sandwich at youth group

Main Plaza Square of Cajamarca

Prayer Requests

Please pray for the city of Cajamarca, that the people would hear the Gospel and receive it with soft hearts.

Please pray for the church of Cajamarca as a whole, that we would continue to shine the bright light of Jesus to them.

You can pray specifically for Calvary Chapel Cajamarca because right now we do not have a pastor, and are rotating speakers every Sunday. A permanent pastor would be a huge help.

Don't forget that the Calvary Chapel Bible College is also here only 6 miles outside of Cajamarca, please pray for the students there that they would learn more and more about Jesus.
Thank You

Thank you for your help, support and prayers that you have been offering. May God continue to bless you.
